

20 August 2018

Dear Parents and Care-givers of Barefoot 10s rugby players,

It is great to see the two teams performing so well and enjoying their rugby.

Our GMS A team has made a strong start to the season. The players in the GMS/Reignier team are blending well with the four Reignier School players in their squad, so things are going very well.

Here is the draw for the remainder of the term.

22 Aug	v Taradale at Taradale	v Henry Hill at Greenmeadows
