# CHATTERBOX

## NEWSLETTER NO. 16

**Dear Parents and Caregivers - Tena koutou katoa**

*The third term is racing by ... here we are in week 7 already — and only three weeks and a half weeks left after this until our next break. Our roll is currently at 401. Since our last newsletter three students have enrolled here — Sara Petuha, Dylan Simes and Rieley Jackson. All are New Entrant students, and we welcome them here and wish them all the best for the start of their years at school.*

### **SPOONER SHIELD SUCCESS!!!!!!**

The Spooner Shield was won by Greenmeadows School on Thursday 1 September. This was our school's third win in a row which has only happened three times in the history of the competition which is more than forty years. Our teams performed extremely well in a whole host of competitive matches played in four different sports.

Special mention needs to go to our boys soccer team. They were undefeated in their competition which was fiercely contested. The Greenmeadows team won six games and drew their seventh to bring back the football trophy for the first time since 1967. Our other teams also performed credibly and with consistency, including:

- Netball — 3rd equal in the Hazel Gillies Shield
- Girls Soccer— 3rd
- Rugby — 3rd equal

Congratulations to all involved. Our coaches need acknowledgement for the time and effort they put into preparing the teams, especially parent Louise Nicholson and our overall coordinator (and chief encourager) Mr. Gibbs!. Thanks to all our parents who provided great support to our children. And the biggest acknowledgment needs to go the students involved — what an achievement, and with such a consistent attitude. Our opponents have congratulated GMS students on the fact that they are great to play against. FANTASTIC EFFORT!!!

### **GREENMEADOWS SCHOOL MIDDLE AND SENIOR SCHOOL CROSS COUNTRY**

The weather promises to be fine and sunny for our rescheduled cross-country event tomorrow afternoon. We walk from school at 12.10pm to Anderson Park. Races start at 12.50pm, and start with the younger pupils going first through to older students who run later. Each race takes about 10 minutes. We may be looking for a couple of parents to help marshal, so let Mr. Gibbs know if you can help.

## **GMS ICT SHARING EVENING THURSDAY 29 SEPTEMBER**

Our busy month keeps going with an evening session focusing on ICT. Each class has been using computer equipment and a whole range of accessories as we have focused on developing the use of ICT to support learning.

We want to share some of the wonderful applications of ICT going on and will do so on Thursday 29 September at school. From 5.00pm until 6.30pm there will be a number of displays in various classrooms around the school. A timetable will be created and multiple showings of the various slideshows and interactive demonstrations will be on offer during this time so parents with children in more than one area of the school can get to see efforts from all their children. Students are also encouraged to come along during this time to share and explain for families the types of things they have created.

Families can use the sharing evening as a chance to look at the GMS 100 years archive display in the Hall. More information about times of actual screening and rooms for display will be provided in week of the ICT sharing evening.

### **HEART OF THE SCHOOL PROJECT**

The workers are racing ahead to get our project completed by the date of the centennial celebrations—at this stage this is the date we are working towards.

We need help with a planting working bee in the days ahead of the centennial — either Tuesday 27th or Wednesday 28th September, from 1.00pm onwards. It would only take a couple of hours if we get half a dozen or more people. Can you help? If so, could you please let the office know or contact Mr. Mellon.

We want to have the school looking as tidy and attractive as possible for the 100 year celebrations, so any help would gratefully accepted.
